

LONGEVITY
— RESORT —

TECHNICAL SPECIFICATIONS

Longevity Resort

STRUCTURAL SYSTEM

Structural Frame

Light Gauge Steel Frame

Steel Grade

G550 high-strength steel

Corrosion Protection

ZM275-coated steel

Moisture / Condensation Protection

House-wrap vapour-control membrane with secondary framing

Exterior Sheathing Board

14 mm cement-bonded, glass-fibre-reinforced fibre-cement board

ROOF

Roof Covering

Metal roofing sheets

Thermal and Acoustic Insulation

50 mm PIR thermal-insulation system with acoustic-performance properties

FACADE AND EXTERIOR CLADDING

Facade Finish

LUME microcement

Wood-Effect Exterior Cladding

WPC wood-plastic composite cladding in a teak-colour finish

Decorative Stone Panel

Soft-stone panel in Linear Travertine / Claybank finish

Soffit Cladding

WPC soffit panels in a teak-colour finish

WINDOWS AND DOORS

Frame Material

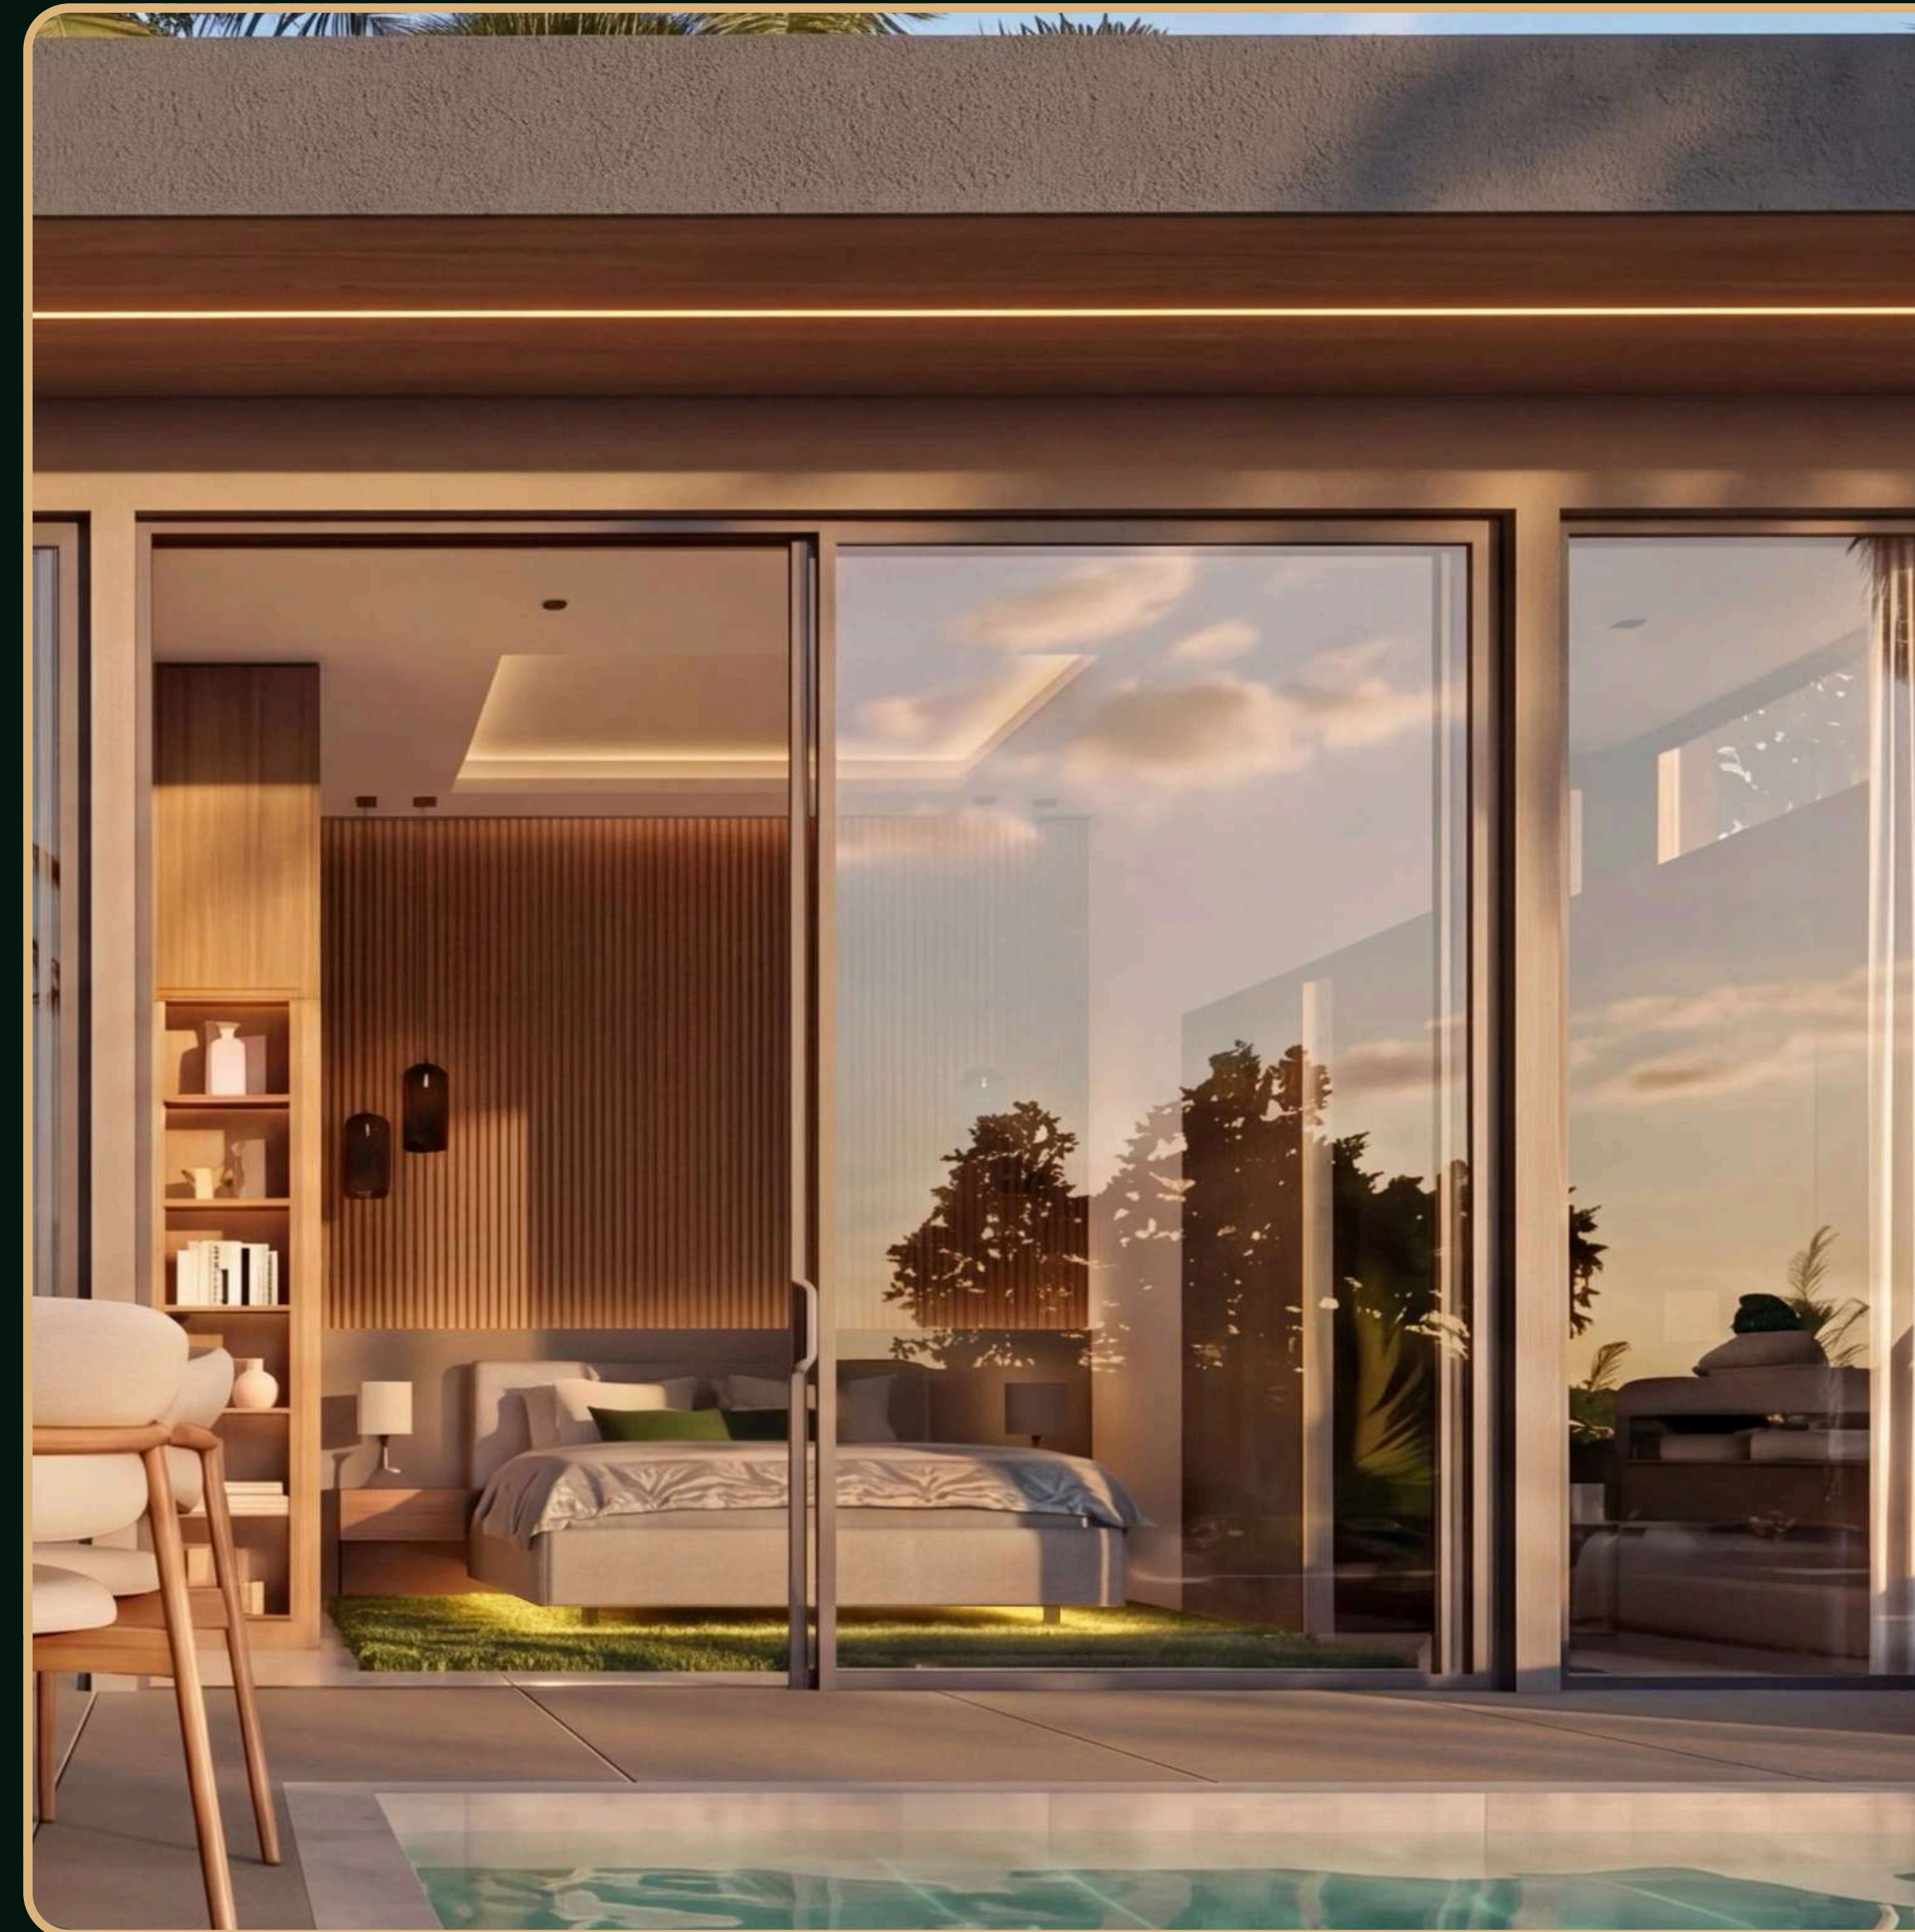

Powder-coated aluminium frames in standard EU colours

Glazing

Double-glazed laminated safety glass

Glass Properties

Heat-reflective coating, UV protection and enhanced acoustic insulation

INTERIOR WALL FINISHES

Living-room and kitchen walls
LUME microcement, MS-105 Jade Gray

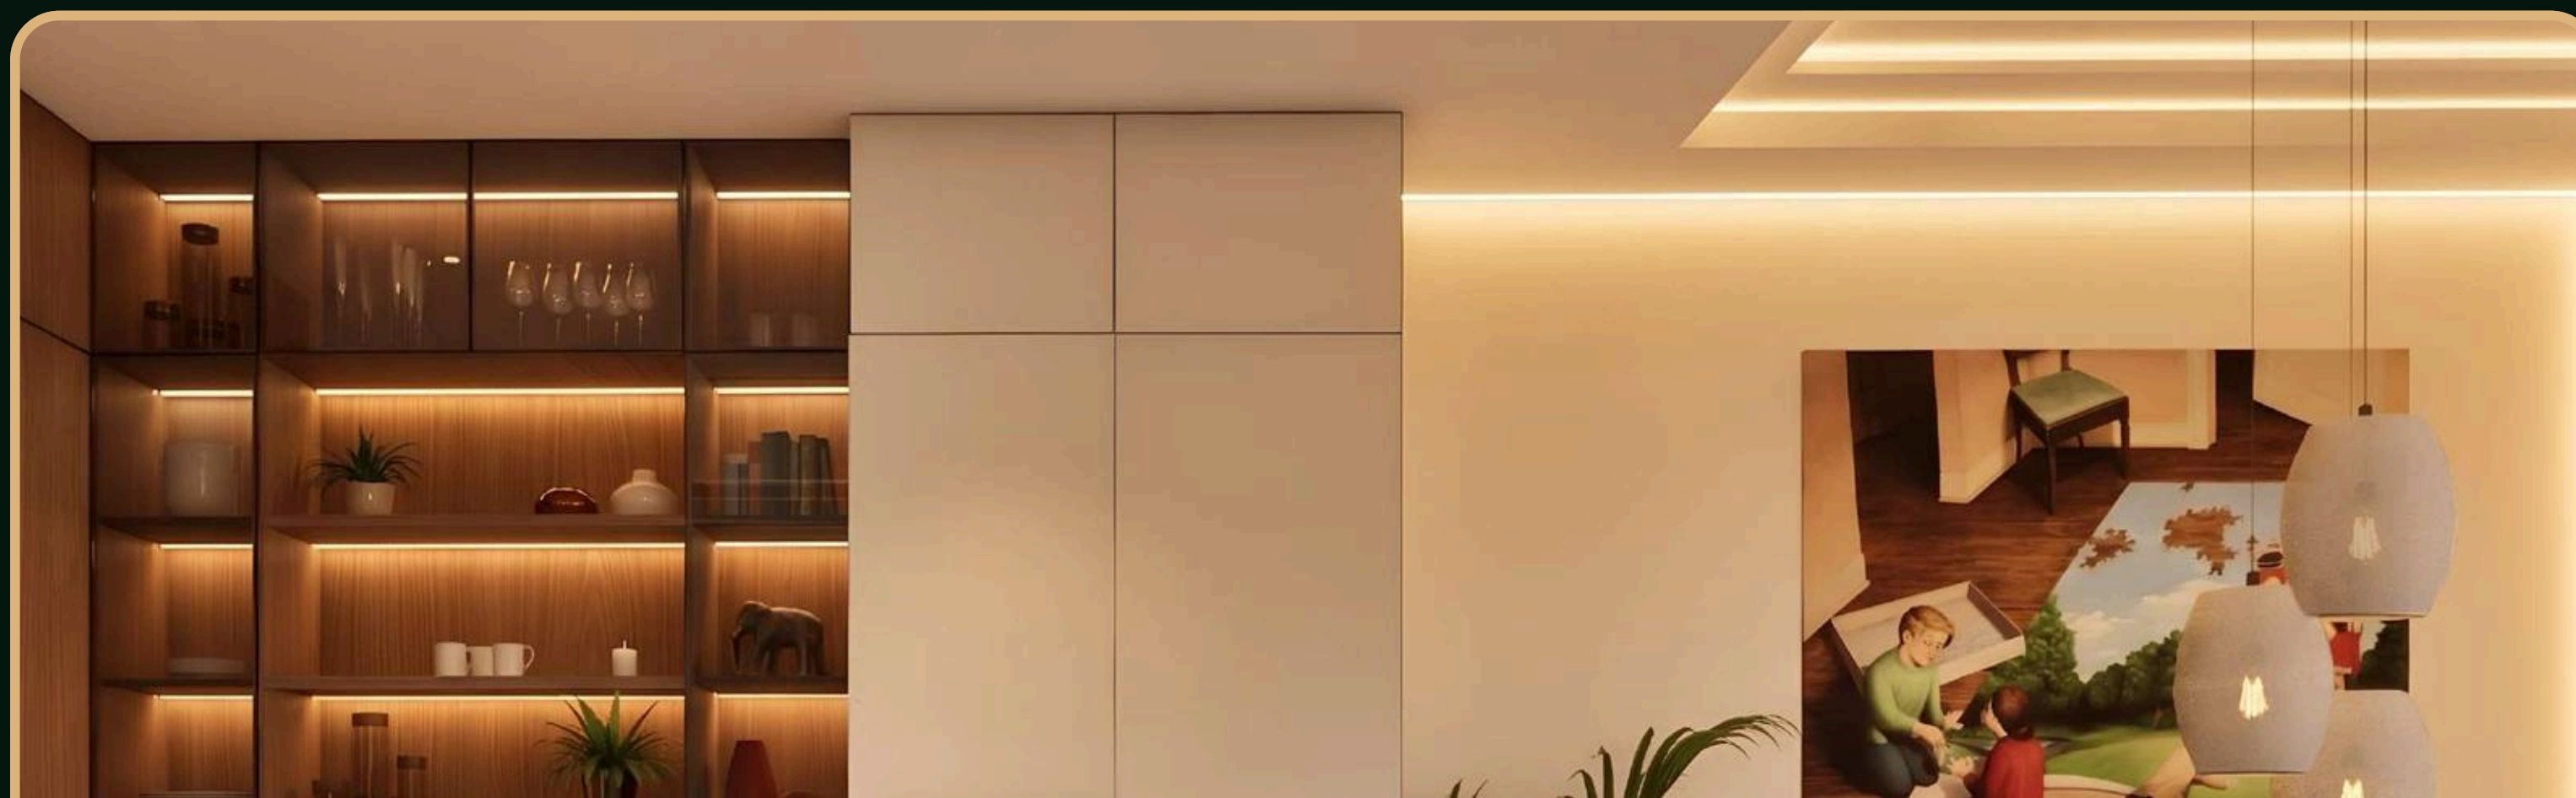

Bedroom Backsplash
WG-34 Eucalyptus Radiata

Bedroom Walls
WG-29 Eucalyptus Radiata wall panels

Bedroom Headboard Wall
SPC wall panels, SW-98 Light Grey

Bedroom Accent Wall
LUME textured microcement

Washbasin Backsplash
WG-09 Classic Technology Wood

CEILINGS

Ceiling Finish

MS-118 Skin Sensory Angel White

Dropped Ceiling

Dropped ceiling with an integrated 5 mm LED profile

LIGHTING SYSTEM

Outdoor LED Lighting

Integrated LED strip lighting along facade eaves and ledges

Bedroom Wall Panel LED

Concealed LED strip integrated along the edge of the ribbed bedroom wall panel

Integrated cove lighting with LED strips positioned along the top and bottom edges

Dropped Ceiling LED

5 mm LED profile with cove design

Skirting / Corner Profiles

LED-integrated skirting and corner-profile elements forming part of the wall-panel system

Circadian Lighting

Programmable lighting system designed to support natural circadian rhythms

AIR CONDITIONING SYSTEM

Air Conditioning Brand
Daikin or Gree

POOL

Water Treatment
Saltwater pool system with a
programmable salt chlorinator

Filtration System
Sand-filtration system with a timer-
controlled circulation pump

Dimensions	Depth
10.5 × 10.8 m	1,4 m

FURNITURE

Design

Custom-made furniture with an Italian-inspired design

Quality

Finished to the standard set out in the approved finishes schedule

KITCHEN SPECIFICATION

Equipment

Fully equipped

Appliance Brand

Teka

Cabinet Hardware and Hinges

Häfele

Cabinet Construction

Flat-panel kitchen cabinetry in laminated MDF

SANITARY WARE AND BATHROOM FITTINGS

Toilet Type

Smart toilet in porcelain/composite construction with sensor-operated functions

Faucets

Tapware fitted with ceramic cartridges

Shower

Premium rain shower with a thermostatic hand shower

FLOORING

Living Room / Kitchen

Dekton® sintered-stone flooring

Bathroom(s)

Dekton® sintered-stone flooring

Bedrooms

Dekton® sintered-stone flooring

Terrace

Dekton® sintered-stone flooring

WELLSNESS & WELLBEING EQUIPMENT

Personal Training Equipment
Optional

Infrared Sauna
Portable infrared sauna

Water Jet / Hydromassage
Integrated hydromassage jet system

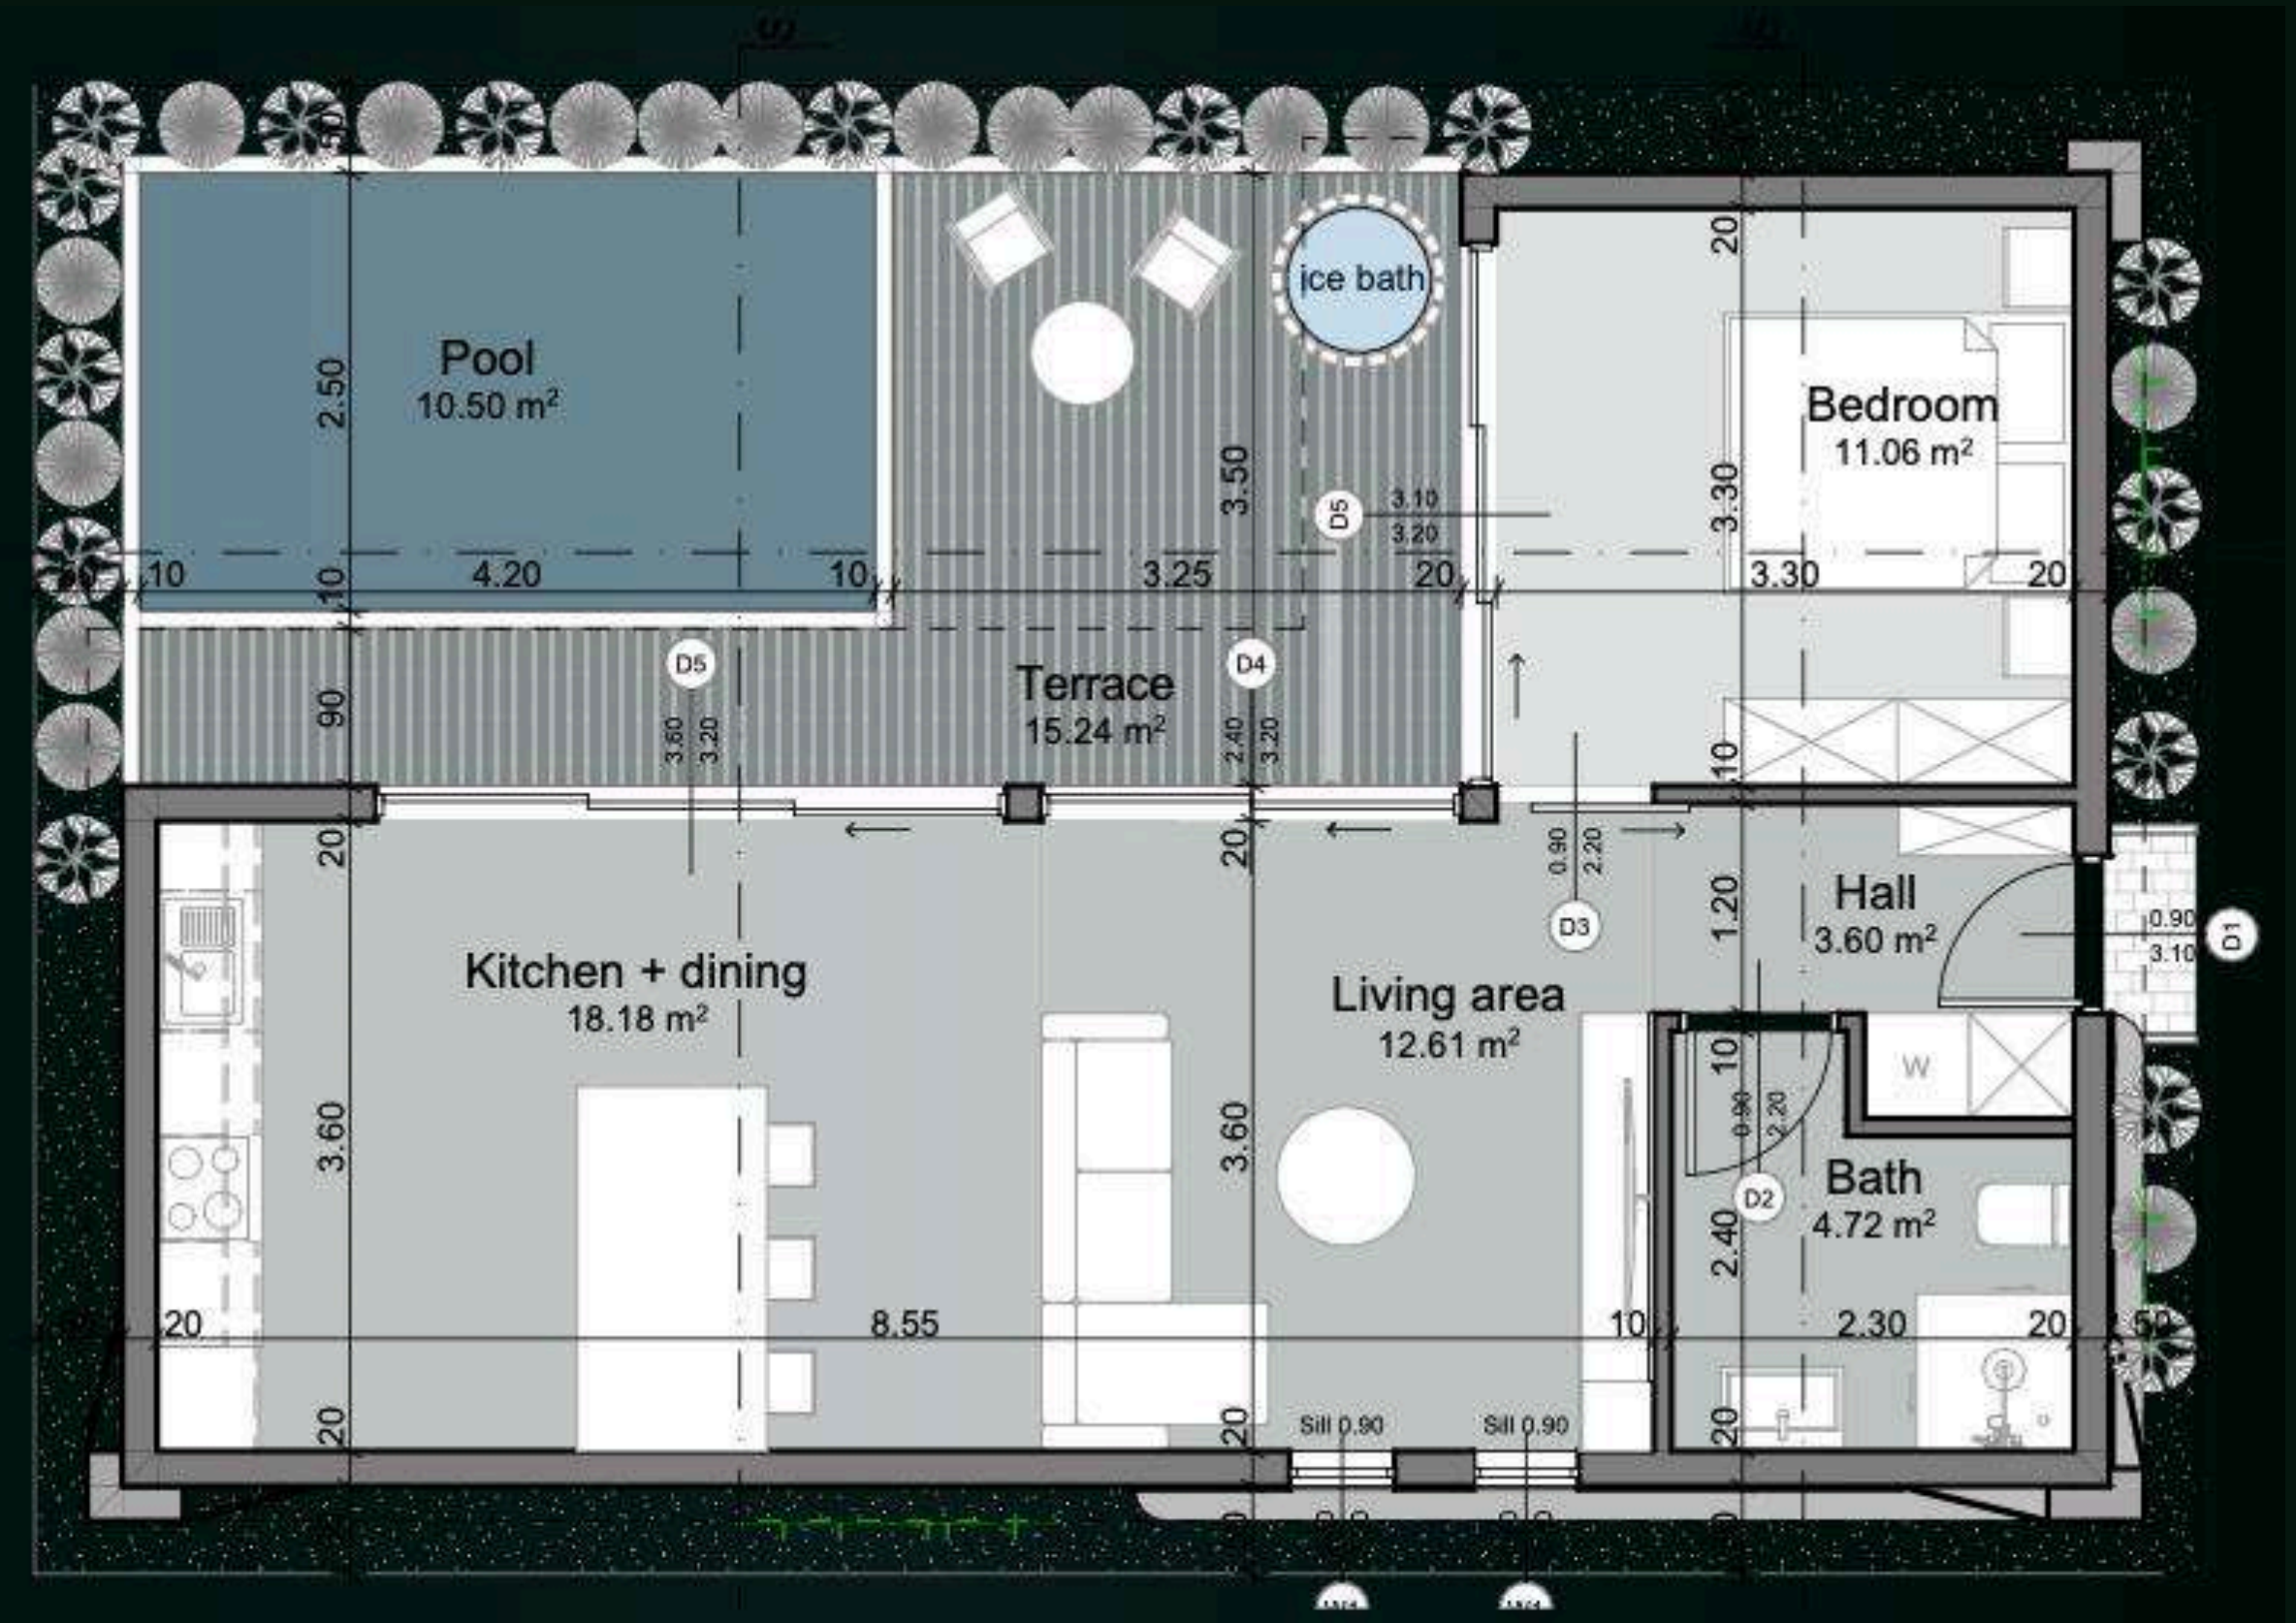

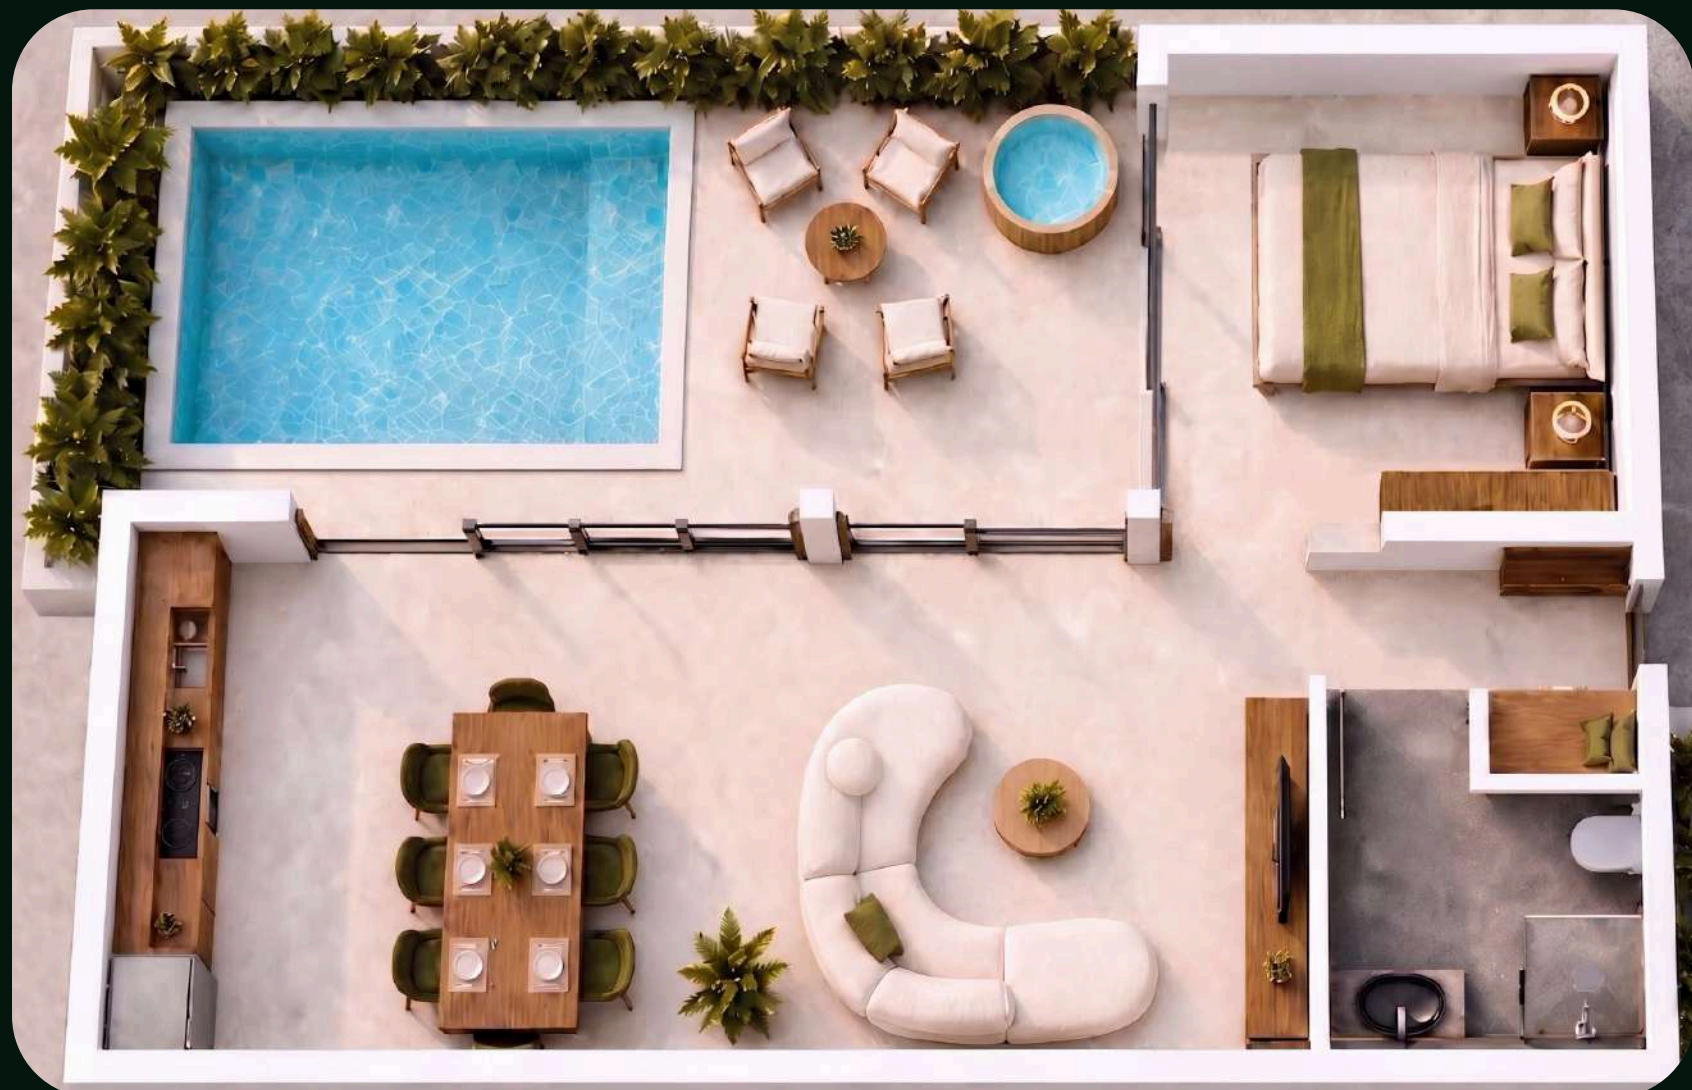

Ice Bath
1 m³ cold-immersion tank with an
operating depth of 0.5–0.75 m

Body Weight Scale
BIA Body-composition Scale
